Dear _____,

Please come to my school on ***Tuesday, February 6th, from 2:30-3:30 PM*** to share a special talent with my class. Your talent can be anything from playing a musical instrument to juggling. It can also be just coming to class and reading from a favorite book. All that really matters is that I get to spend time with one of my favorite people, and share YOU with my class! Since there will be many other Grandparents coming to my class that day, please keep your presentation between 3-5 minutes.

Come to the main entrance of my school and volunteers will help you find my classroom. I hope you can come and share the fun with me!
